Watch the ACC Tournament games on WRAL beginning at noon Thursday. Don't miss the WRAL Sports Hoops Headquarters Special Thursday at 9pm.

WRAL is broadcasting the ACC tournament in high definition for the first time. Tune in over the air to digital channel 5.1 or Time Warner Cable channel 255.

The only ACC Tournament game not available on WRAL is the 7 p.m. matchup between Duke and N.C. State. The league's TV contract specifies that the game can be shown only on ESPN2.

If you miss any part of the action, or just can't get enough, WRAL News will have complete coverage. Watch WRAL News for live reports from the tournament, interviews, highlights and scores.
