Don't tell me NO!

The Muggsy Bogues Story

Throughout his life, Muggsy Bogues heard the skeptics. "You're too little to play basketball...too small for college ball...not big enough for the pros."

Muggsy ignored the critics at every turn and has gone on to become not only the shortest player in the history of the National Basketball Association, but one of the most popular and competitive players in the league today. In the process, the 5-foot 3-inch dynamo has become a hero to those who believe they can accomplish whatever they want...no matter what the odds are.

Don't tell me NO! is the story of the little man who dreamed big dreams and made them all come true!
